

BRUSH CLEANER

Product Code: 091 0030

Description

Effective and easy-to-use for cleaning brushes. Odour free.

Fields of Application

To clean brushes used when applying most solvent and water-based paints, conventional and water-soluble oil colours, acrylic paints, varnishes, etc.

Technical Data

Finish	Colourless Liquid
Density (UNE EN ISO 2811-1)	0.90 -1.10 Kg/l
Flash Point (UNE EN ISO 3679)	> 100 °C
Pack sizes	1 l, 250 ml and 100 ml

Directions for use

GENERAL REMARKS:

Provide a container with some product, immerse the brushes, before the paint is dry. Rub the brushes against the bottom of the container until the paint softens (usually for some seconds, but in some cases it may be necessary to wait 5 - 20 minutes). Wash with soap and water and rinse.

Precautions

Always read the pack label before use. For more information, please refer to the Safety Data Sheet.

Issue date: 2015-03

Any technical sheet is automatically cancelled by a subsequent sheet or five years after the issue date. We guarantee the quality of our products. However, we disclaim any liability in relation to factors other than the coating itself or in relation to an unsuitable use or application method. In case of doubt, please refer to our technical service before applying the products.
