## Directions for use

### GENERAL REMARKS:

Thoroughly mix it with the oil colour. The mixing rate depends on the artist's requirements, in order to produce gloss, fluidity and transparency, as well as to reduce drying time.

### BARE SURFACES:

Cotton or flax canvas, etc.: Gesso Universal Primer.

## Precautions

Always read the pack label before use. For more information, please refer to the Safety Data Sheet.

Protect the packs from temperatures below 0°C

Issue date: 2015-03

Any technical sheet is automatically cancelled by a subsequent sheet or five years after the issue date. We guarantee the quality of our products. However, we disclaim any liability in relation to factors other than the coating itself or in relation to an unsuitable use or application method. In case of doubt, please refer to our technical service before applying the products.
