

TITAN EXTRA FINE GOUACHE

Product Code: 097

Description

Water-based gouache, made with the traditional system with selected pigments and Arabic gum. Basic intermixable colours. By mixing them, an infinite number of beautiful shades can be obtained.

Fields of Application

Highly suitable for professional designers, illustrators and graphic artists. It is also suitable for artist painters, model-makers and for works in matt which are to be photographed or filmed.

Technical Data

Finish	Matt

Density (UNE EN ISO 2811-1)	1.24 - 1.80 Kg/l (depending on colour)
Coverage (UNE 48282)	9 - 12 m ² /l
Drying at 23°C 60 % RH (UNE 48301)	30 - 60 minutes
Methods of Application	Brush or flat brush
Thinning	Water
Equipment Cleaning	Water
Pack sizes	20 ml

Variations in temperature, humidity, thickness, tinting or surface type, etc. may lead to changes in drying, in coverage or in other properties.

Directions for use

GENERAL REMARKS:

Stir the container. The surfaces have to be clean and dry.

If some Arabic gum is added, the colour will get thinned and this will give it more gloss and shade vividness.

Precautions

Always read the pack label before use. For more information, please refer to the Safety Data Sheet.

Issue date: 2014-10

Any technical sheet is automatically cancelled by a subsequent sheet or five years after the issue date. We guarantee the quality of our products. However, we disclaim any liability in relation to factors other than the coating itself or in relation to an unsuitable use or application method. In case of doubt, please refer to our technical service before applying the products.
