

# MOULD REMOVER H41

Product Code: H41

## Description

Transparent liquid for removing moulds, algae and other organisms on walls and ceilings. Non-unpleasant odour. Indoors and outdoors. High penetration capacity in all kinds of masonry surfaces, ensuring their cleaning and disinfecting before painting. It is no bleaching product. For discolouring stains, conventional bleach can be used.

## Technical Data

|   |                          |
|---|--------------------------|
| <b>Finish</b>                                 | Transparent liquid       |
| <b>Density (UNE EN ISO 2811-1)</b>            | 0.90 - 1.10 Kg/l         |
| <b>Recoat time at 23°C 60% RH (UNE 48283)</b> | 24 hours                 |

| <b>Equipment Cleaning</b>                     | Water                    |
| <b>Pack sizes</b>                             | 750 ml                   |

## Directions for use

### GENERAL REMARKS:

Shake before use.

Before applying the product, it is necessary to remove any excess of moulds, algae and other organisms in dry. After that, generously apply H41 Mould Remover without thinning. It is better to apply it in small areas and by means of brush or scourer, and suitably rubbing so that the product can reach the pores on the surface. For highly damaged supports, allow drying and proceed to a second application.

After 24 hours it can be overcoated with any kind of primer or paint, preferably containing anti-mould preservative and strictly following the directions for use.

H41 Mould Remover is not suitable as a paint additive.

## Precautions

Always read the pack label before use. For more information, please refer to the Safety Data Sheet.

Protect the packs from temperatures below 0°C

Issue date: 2015-08

Any technical sheet is automatically cancelled by a subsequent sheet or five years after the issue date. We guarantee the quality of our products. However, we disclaim any liability in relation to factors other than the coating itself or in relation to an unsuitable use or application method. In case of doubt, please refer to our technical service before applying the products.
