Directions for use

GENERAL REMARKS:

Carefully shake the spray can before use. Simply press the spray valve to get the suitable product amount for your work on a cotton pad, on a sponge or directly apply it on large surfaces by quick and thin layers.

Precautions

Always read the pack label before use. For more information, please refer to the Safety Data Sheet.

Issue date: 2016-03

Any technical sheet is automatically cancelled by a subsequent sheet or five years after the issue date. We guarantee the quality of our products. However, we disclaim any liability in relation to factors other than the coating itself or in relation to an unsuitable use or application method. In case of doubt, please refer to our technical service before applying the products.
